ATSDR is not available this Wednesday, either. Are you available the following Tuesday (Aug 2nd)?

Hi Stephanie

I am out on vacation all next week. But if the rest of the group needs to meet then please do. I can review the meeting notes and get up to speed.

I'm very sorry for not getting back to you all sooner - I've been out with a family emergency.

Are you available Wednesday, July 27th at 10 am Alaska time?

Thank you,
Stephanie

I apologize for not being able to set up a time that works for this week. Please let me know your availability for July 18, 19 and 20 in the mornings Alaska time.

Thank you,
Stephanie

Hello,

During our last meeting, we decided to meet again in July to discuss sulfolane toxicity and get an update on the PPRTV document. I'd like to try and schedule that meeting.

What is your availability July 7th, 8th and 12th? I'd like to have the meeting in the morning (Alaska time) since we have so many East Coast participants.

Once I find a date and time that works for everyone I'll send out a meeting request and agenda.

Thank you for all your time on this issue,
Stephanie
